Journal of Advanced Psychology is a peer reviewed journal published by CARI Journals. It is an international journal that dedicates its academic force towards amplifying the scholars' requirements for the knowledge and skills. The journal is a good platform that offers direction to scholars and academicians especially postgraduate students so that they are able to apply different statements of psychological theories to solve problems arising in the field of social psychology. In addition, the contribution of scholars from all geographical contexts in the journal is an indication of a spice of wide variety of knowledge dedicated to expansion of philosophical arguments about social, political, economic, social, as well as academic phenomena.
