- Influence of Assessment Practices on Business Education Students' Academic Performance in Nigerian Colleges of Education
- Digital Platform Skills for Teachers in Public Primary Schools in Homa Bay County, Kenya
- Analysis of Eswatini Senior Secondary School SiSwati Teachers' Inclusive Education Practice

Journal of Education and Practice is a high profile peer reviewed journal approved for its information on critical knowledge published by CARI USA LLC. The journal is concerned with an individual's psychological, economic, moral, emotional, physical, religious, personal, spiritual and professional development in education. The journal delights in its affordable and swift publication and it's featured in the Google scholar, amidst other journal indices. It also facilitates the free access to scholarly journals. A double blind peer review technique is employed as far as the review of the research report is involved. This contributes to publications of high precision.
