- Effect of Digital Marketing Strategies on Growth of Small Medium Enterprises in Liquefied Petroleum Gas Distribution in Nairobi City County, Kenya

International Journal of Business and Strategic Management is a high factor journal published in both printed and online versions by CARI. The objective of the journal is to gather information about inter-dependency of business and situation analysis, strategy formulation, implementation and evaluation. The affordability and low cost of publishing this journal is an added advantage to the upcoming researchers and also useful in seasonal academic studies.
